Rewind : BITS Strategic Plan

“.. two or three years ago we got into the mode of looking inwards, debating and preparing a new strategic plan to grow, rather evolve. That, in the changing world scenario, BITS needed to further develop a well defined strategy to realize its dream of being one of the leading universities in the world ”

--- *Prof G. Raghurama (Director Pilani Campus) in conversation with a correspondent from Financial Times*

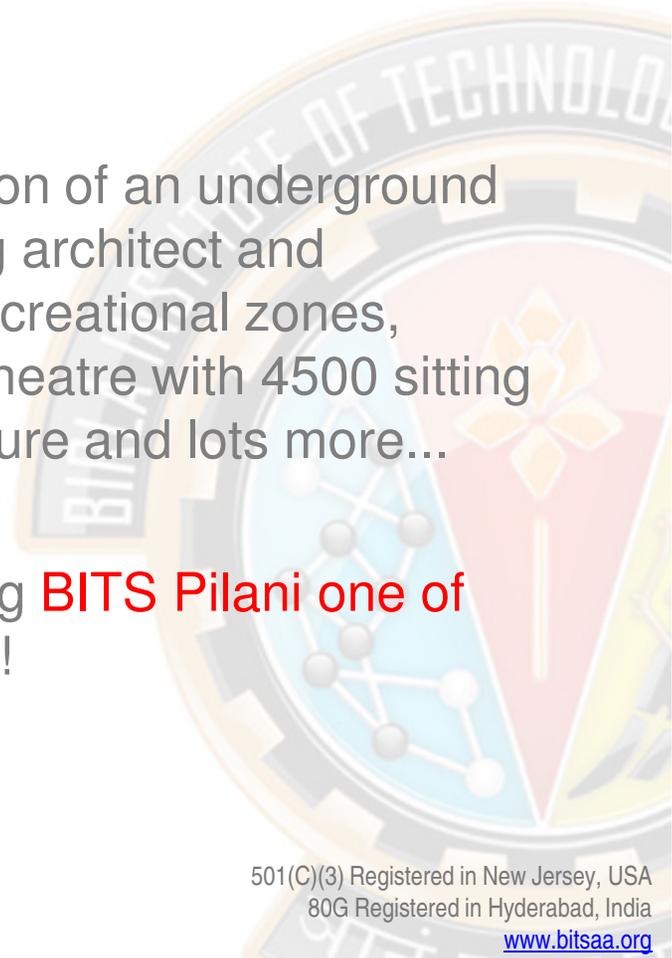

For more details please see Section 13_10 of BITS Pilani Annual Report 2010

- An intense collaborative process, involving faculty, students and (non-teaching) staff from all campuses
- 3 key domains were chosen
 - Faculty development,
 - Curriculum development & Pedagogy,
 - Research
- Renewed focus on 3 more areas
 - Infrastructure & facilities
 - Governance & Administration
 - Campus-Life
- came to be known as Mission 2012/Vision 2020 - BITS Strategic Plan

Project Parivartan

- Chancellor Mr. Kumar Mangalam Birla on his visit to BITS Pilani on 12-14 Nov 2011, announced **a Rs. 400 crore modernization plan** for BITS Pilani, Pilani campus which is the largest single infrastructural modernization plan in the history of India.
- This ambitious plan will include the construction of an underground academic block designed by a world's leading architect and construction of new hostels, new staff flats, recreational zones, pedestrian bridges, sunken zones, an amphitheatre with 4500 sitting capacity and renovation of existing infrastructure and lots more...
- BITS Strategic plan is working towards making **BITS Pilani one of the top 3 colleges in India and top 25 in Asia !!**

Project Parivartan

- Architects were appointed in January 2011,
- Master Plan has been finalised.
- Targeted completion dates are:
 - Oct 2014 for the New Academic Building (130,000 sqft),
 - Dec 2015 for the Modernisation and Re-architecture of the existing facilities (Academic Buildings; Student, Faculty, Staff Housing; Recreation and other facilities; Roadways and Infrastructure)

Project Parivartan aims at a complete transformation of the Pilani Campus while retaining the legacy "look and feel".
